Description

Art Deco style silver child's cup featuring a smart engine turned decoration to the body and plain border lip. The hand engraved, stepped, Art Deco motifs drop down from the lip and the cup and the simple handle is comfortable to hold.

Art Deco was the popular design style spreading across Europe in the 1920s and 1930s and characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress.
