Georg Jensen

Sold

REF: 6154

Height: 90 mm (3.54")

Diameter: 65 mm (2.56")

Weight: 860 g

Description

With George Stockwell's London 1931 import mark, this is a stylish and well-made set of six silver beakers by Denmark's illustrious silversmith, Georg Jensen. The bowls have a delicate hand-hammered finish and rest on decagon-panelled collet bases with an elongated bead decoration. This is a really versatile set of silver beakers; the size making them suitable for serving wine, water or whiskey.
