Height: 80 mm (3.15")

Width: 70 mm (2.76")

Depth: 28 mm (1.1")

Weight: 65 g

Description

A small cast silver model of a standing cockerel, probably German, and made during the early part of the 20th century. The cockerel is crafted in the traditional manner in 800 standard silver, and nicely chased to produce a realistic impression of the bird's feathers.
