Height: 170 mm (6.69")

Width: 200 mm (7.87")

Depth: 65 mm (2.56")

Weight: 392 g

Description

Antique cast sterling silver model of an unusual subject - a dromedary camel - in a classic pose and showing rather lifelike detailing. This piece was made for the English market by the premier German model maker, Berthold Müller and bears London 1913 import marks.

Müller was one of the greatest and most famous animal and bird model makers of the era and this is fine example of his work, excellently cast and hand chased to provide a lifelike representation.
