Height: 120 mm (4.72")

Width: 180 mm (7.09")

Depth: 125 mm (4.92")

Weight: 1895 g

Description

Cast and hand chased in fine detail, these two 800 standard silver model bears are of a mother and her bear cub. The realistic playful poses and substantial weight of silver make these lifelike models most desirable.

Dimensions are given for the large bear while the smaller silver cub is 105mm (4¼") tall and 105mm (4¼") wide. The weight is for both models.
