Antique & Contemporary Silver

Pair of model silver partridge
Comyns Of London

Sold

REF: 4923

Height: 110 mm (4.33")

Width: 200 mm (7.87")

Weight: 1120 g

Description

This is a fine pair of modern cast and realistically hand-chased and suitably plump silver partridges, with the male identified by his proudly displayed outstretched wings. It flies with whirring wings and occasional glides. It is strictly a ground bird and never likely to be found in a pear tree!
