Description

The English cocker spaniel has strong hunting instincts and likes few things better than to go out in search of birds. Our silver model cocker spaniel features the characteristic long ears, a silky, wavy coat, docked tail and a soft expression.

This model can be made with an un-docked tail for £1320 including VAT

Our heavy quality models are cast in sterling silver using the traditional centuries-old technique of 'lost wax' casting giving them assured detail. Each one is then individually hand chased to produce the lifelike effect seen in the finished piece.

For a truly personal model, we can work from photographs to capture the true likeness of your own pet or favourite animal cast in sterling silver. Contact us for more details.
