Description

This cast and hand chased sterling silver warthog model, characterised with its lumpy face, has an appeal all of its own! One of the most charismatic African characters, the warthog is a popular Patrick Mavros character whose charming and entertaining mannerisms are encapsulated in his sterling silver warthog sculptures. This silver warthog rests on a Zimbabwean dark wood base.

PatrickMavros is an eponymous African luxury brand founded by Patrick Mavros in 1980 when he sculpted a pair of silver earrings for his wife. This was the genesis of the business whose workshops are located in the hills on the outskirts of Harare, Zimbabwe. Today PatrickMavros is regarded as the definitive luxury brand from Africa and whose followers span the globe and whose animal sculptures are much sought after.
