Antique & Contemporary Silver

Pair of Victorian silver-gilt basket salts

Atkin Brothers

Sold

REF: 7596

Height: 55 mm (2.17")

Diameter: 65 mm (2.56")

Weight: 69 g

Description

In a lovely organic rounded form, this is a charming pair of antique handmade silver basket salt cellars featuring maidenhair leaf engraving, typical of the Victorian era, and ball finials surmounting the basket handles.

The two salt spoons were made by Henry Matthews in Birmingham in 1904 and are similarly gilded.
