REF: 8305

Height: 125 mm (4.92")

Width: 280 mm (11.02")

Depth: 145 mm (5.71")

Weight: 518 g

Description

Edwardian-era, antique silver dish in the form of a wheelbarrow. The body is hand pierced with scroll patterns, the wheel is cast with open-work scroll designs, and the cast legs, handles, and rim are cast with leaves and flowers and the occasional bluebird.

This makes a beautiful receptacle for serving nuts, berries or sweets, and is a perfect decorative piece in its own right.
