Hukin & Heath

Sold

REF: 7040

Height: 80 mm (3.15")

Diameter: 115 mm (4.53")

Weight: 238 g

Description

Lovely and elegant silver sugar bowl and sifter spoon made in the Aesthetic style. The bowls are shaped as lilies and the sugar bowl has an unfurled lily leaf mounted to the side. The sugar sifter spoon is delicately hand pieced in the bowl and has a cast, bark-finish handle and is gilded. The set is accompanied by its original, leather presentation case.
