Description

This stunning antique sterling silver tea & coffee set, by noted silversmiths Charles Reily & George Storer, is made entirely by hand and features fine hand-engraved decoration. The hand-raised, pear-shaped bodies are curved and panelled with exquisite hand-engraved floral detail. Circular cartouches are built into both sides of each piece, with flowers decorating one side and left plain on the other so that a crest or monogram could be added.

The silver set comprises a teapot, coffee pot, cream jug and sugar bowl, with all pieces in perfect condition and bearing matching identical hallmarks. The insides of the cream jug and sugar bowl are gold plated.

Dimensions shown are for the coffee pot.

Note: Under the rules of the UK government's Ivory Act 2018, this antique silver tea and coffee set qualifies for an ivory exemption certificate. If required, the ivory parts may be replicated and replaced with an ivory substitute at no additional cost.
