Antique & Contemporary Silver

10½" George II style silver salver

Barker Brothers

Sold

REF: 5823

Diameter: 265 mm (10.43")

Weight: 684 g

Description

Large and good quality George II style silver salver with a classic pie-crust pattern border and mounted on three supports; a style that would have been popular in the first half of the 18th century.

Perfect for engraving.
