George II style silver serving tray

Frank Cobb & Co

£4,800

REF: 9190

Width: 575 mm (22.64")

Depth: 350 mm (13.78")

Weight: 2556 g

Description

This elegant 1930s silver tray is based on a George II style from the 1740s, being of straight sided oblong form with scalloped corners and two handles that follow the lines of the tray itself.

This tray would be equally at home in a traditional setting or with Art Deco styling. It can be used as a drinks serving tray or could hold a three or four piece tea service.
