Aston Martin design cork screw & bottle opener

Aston Martin Silver

Sold

REF: 1972

Width: 120 mm (4.72")

## Description

Designed by Grant Macdonald for Aston Martin, the casing of this waiter's friend combined corkscrew, bottle opener and foil cutter is crafted from sterling silver and decorated to in a crosshatch pattern to resemble the carbon fibre mesh that features in the design of Aston Martin's cars. It makes an excellent man gift.
