Antique & Contemporary Silver

Victorian claret jug with engraved hunting scene

William & George Sissons

Sold

REF: 6055

Height: 260 mm (10.24")

Description

Fine quality Victorian glass and silver wine jug of hunting interest. This antique wine jug has an elegant pear-shaped glass body, finely hand engraved with a mounted huntsman and hounds set against a woodland landscape of trees, ferns and foliage. The silver mounts are hand-chased in high relief and the cover has a cast openwork finial.
